

Travelport Galileo wins 'Best GDS of the Year' award at TAAI Travel Awards

New Delhi, India, 19 December, 2011: Travelport Galileo, the leading Global Distribution System (GDS), officially distributed by InterGlobe Technology Quotient (ITQ) in India, has been named '**Best GDS of the Year**' by Travel Agents Association of India (TAAI). The award holds special significance for Travelport Galileo being based on popular choice and votes awarded by the travel agent fraternity. The award ceremony took place at TAAI's diamond jubilee celebrations, amongst a large presence of members from across the country.

Speaking on the occasion, **JB Singh, President & CEO InterGlobe Technology Quotient** said, "We are delighted to be recognized by our industry peers. This recognition is due to our customer orientation and focus. This achievement reflects and further reinforces our commitment to delivering the best in class technology, products and service to the industry. Innovation has remained at the forefront of what we do and it is pleasing to see the industry acknowledge our leadership and efforts in this area. We thank TAAI and its members for this vote of confidence."

Travelport Galileo continues to be the preferred choice for most of the travel agents, with its offering new innovative products that are aimed at improving the efficiencies of its customers.
